Exactix is designed for mobile use and can be set up to function like an app.

- Android Search the internet on how to add a website as a shortcut for your phone/tablet type and follow those instructions.
- *IOS/Apple* Use these instructions:
 - o Launch Safari on your iPhone or iPad
 - Navigate to https://811.indiana811.org
 - Tap the **Share** icon (the square with an arrow) at the bottom of the screen

• Select Add to Home Screen.

- If you do not see this option, scroll to the bottom and:
 - Select Edit Actions
 - Click the Plus sign next to the Add to Home Screen action which will now allow you to select from Share
